

Bedford Hills Free Library

2025 COOKIE SWAP

Bake one batch (2-3 dozen) cookies or bars and drop off in a sealed container or ziplock bag at the library between Wednesday, December 17 and Friday, December 19. Then, join us on December 20 from 11 am - Noon to fill up a goodie box of treats made by other members of the community! When you drop off your cookies, please include the completed recipe card so we can properly label all cookies in the swap. We will also compile a recipe book to share with all participants!

Please note: By joining the Cookie Swap you understand that the cookies are homemade and may contain common allergens such as nuts, wheat, gluten, and eggs. It's your responsibility to check ingredients and choose what's safe to bring home for you and your family members.
